syracuseareahealthnavio.com/events

Thursday, February 7, 2019

6:00 pm - 7:30 pm (Light meal provided)

Event Location:

Syracuse Area Health

2731 Healthcare Drive (Northwest Corner of Highways 2 & 50)
Syracuse, NE 68446

Featuring

Dr. Scott Strasburger
Orthopaedic Surgeon

Dr. Scott Strasburger is an independent physician of
the Medical Staff of Syracuse Area Health.

Syracuse Area Health offers partial and total knee replacement utilizing the **NAVIO° Surgical System - a CT-Free robotic-assisted platform**. The **NAVIO° Surgical System** is a tool designed to help your surgeon correctly size and position the total or partial knee implant with computer and robotic assistance. Attend this event to find out if you are a candidate for partial or total knee replacement. Using the **NAVIO° Surgical System**, you may experience less pain¹, a more normal-feeling knee and quicker rehabilitation¹.

Dr. Scott Strasburger will help you understand your options for knee care and discuss the latest technologies available.
