Dr. Michael Raklewicz is a board-certified orthopedic surgeon and practices in Kingston, PA. Dr. Raklewicz offers the latest surgical treatment options to help patients manage their knee pain.

### About the VERILAST<sup>◇</sup> Knee Replacement

If knee replacement is in your future, you've come to the right place to learn about one of the truly significant advancements in joint replacement materials in the past 20 years, VERILAST Knee Technology.

It's important to remember that not every knee implant is the same. VERILAST Knee Technology directly addresses one of the most commonly cited concerns associated with knee replacement implants, implant wear.

OXINIUM<sup>◇</sup> + XLPE = VERILAST Technology

Lab-tested to simulate the number of steps the average person takes in 30 years
